	→	% of crime-in-progress emergencies responded to within 8 min	100	90	10
	→	% of traffic emergencies responded to within 8 min	100	90	10

Notes

Directed Patrols are directed activities designed by police to reduce crimes, neighborhood disorder, traffic complaints, and high accident locations. The number of directed patrols will raise with the level of crime, disorder, traffic complaints and high accident locations, and decrease with a lowering of these incidents reported.
